

A detailed illustration of a nativity scene. In the center, the Virgin Mary is shown with the infant Jesus in a manger, surrounded by Joseph and other figures. Two large angels with white wings and green and white robes stand on the left, looking towards the manger. In the upper right, two more angels are visible on a ledge. The scene is set in a rustic stable with wooden beams and a thatched roof. The background is dark with stars and a crescent moon. The overall style is reminiscent of traditional Christmas cards or religious art.
